

CHIEF RELAXING OFFICER

## Lady Salas

As Chief Relaxing Officer, Lady is in charge of making sure Michelle and the team are keeping happy and stress-free while on and off the clock. Known as the brains behind the company name, Lady leads by example with her small CO2 footprint, which offsets her particular methane footprint.

For fun, she enjoys swimming and going for a run on the beach. Lady truly knows what enjoying the simple things in life are all about, making her a valuable asset to LGR.
